

Switch to a true community bank

Golden Pacific BANK

It's as easy as 1, 2, 3 !

Here's how:

1. Complete the New Account Application and other applicable information sheets. (No time to complete them? Just bring us the information and we will do it for you!)
2. Bring the package along with your picture identification and your initial deposit to any Golden Pacific Bank office.
3. A Golden Pacific Bank Customer Service Representative will take care of the rest.

What do I do with my old checks?

Bring them along - we will replace them for you! Or, if you prefer, you may destroy them and we will provide your first order of checks free. Certain limitations apply.

Is it going to be a hassle to switch my direct deposits and automatic payments?

No, we'll assist you with every step in making the change.

What do I tell my old bank?

Golden Pacific Bank made you an offer you can't refuse!

Account Closure Checklist

BEFORE CLOSING YOUR EXISTING ACCOUNT, REVIEW THIS LIST AND MAKE SURE THE FOLLOWING HAS BEEN COMPLETED:

1. All checks have cleared the existing account.
2. All automatic withdrawals and deposits have been switched to your new account at Golden PacificBank.
3. Destroy remaining checks and debit cards.

Note: You'll need to request closure of your account from your previous bank. Writing a check for the balance will not automatically close your account. For your use, an "Account Closure Notice" is included in this Switch Kit
