GOLDEN PACIFIC BANCORP ANNOUNCES NEW STOCK SYMBOL "GPBI"

SACRAMENTO, CA: Golden Pacific Bancorp joined the OTC PINK© marketplace in September 2018, trading under the new tickler symbol "GPBI". We believe that being listed on the OTC PINK© Marketplace will bring much-needed visibility to Golden Pacific Bancorp and its wholly owned subsidiary Golden Pacific Bank, Inc, and in turn, our stock. You can find more information about, and review real-time data on, your shares by visiting www.otcmarkets.com/stock/GPBI/quote.

In addition, we are pleased to report that FIG Partners became Market Sponsor for Golden Pacific Bancorp at the same time. In this capacity, FIG Partners will play a critical role in helping facilitate sales and purchases of Golden Pacific Bancorp stock and function as a market marker for Golden Pacific and GPBI shares. Without market makers, under our prior system, it can take longer for buyers and sellers to be matched up potentially increasing trading costs and reducing liquidity. See also a "Frequently Asked Questions" document that outlines this relationship and the new options available for transacting shares posted on the Golden Pacific Bank website www.goldenpacificbank.com.

Our sponsors at FIG Partners can directly answer your related questions and can readily assist you with buying and selling our shares. To buy or sell shares of Golden Pacific Bancorp, please contact:
