

Our Sacramento Branch is Moving!

We are pleased to announce that Golden Pacific Bank is moving its Sacramento branch and headquarter administrative office to a newly purchased commercial building in Midtown Sacramento less than two miles away from the current location.

The Sacramento branch is currently located at 980 9th Street, Suite 100, Sacramento, CA 95814. The last day of operation at this location will be on Friday, June 1, 2018 at 4:00pm. On Monday, June 4, 2018 we will open at 9:00 am at **1409 28th Street, Sacramento, CA 95816**, for business as usual.

You will have the same wonderful customer service at the new location, (between 28th and N Street in Midtown) with more convenient parking and efficient access to two freeways. Additionally, since the new building includes the administrative office and a new loan production center you have efficient access to full financial services.

Your accounts and services will automatically be transferred to the new location and ***no action will be required on your behalf***. Your accounts continue to be accessible at our other branch locations in Yuba City and Live Oak, CA. As usual, you can also access your accounts by visiting our website at www.goldenpacificbank.com or via our banking app on your mobile device. It is also important to note that during this relocation, there will be ***NO CHANGES to your accounts or account information***.

Your branch representative, Sacramento Branch Manager Chris Boessenecker, and all other dedicated branch staff will be on-site during this transition to welcome you and answer any questions you may have. If you wish to comment or share opinions on the closing of the 9th Street Branch, you may file comments in writing with the Director for District Licensing at Western District Office, Director of District Licensing, 1225 17th Street, Suite 300, Denver, CO 80202 or WE.licensing@occ.treas.gov within 30 days of the date of this letter.

Please do not hesitate to contact Chris Boessenecker at (916) 414-0674 with any questions regarding this change. You may also contact me at (916) 414-0680 or our Chief Business Officer Joe McClure at (916) 414-0642 to discuss your financial service needs.
